TESTIMONIALS

"The table decorations were more than a success; they were an inspiration ...they made a great memento to our organization. All of our guests thought they were great and were delighted to take them home; so much better than flowers...Thank you so much and I certainly look forward to using your firm again."

- Arlene Jacobs, Development Officer The American Numismatic Society

"They were absolutely magnificent. I hope that you heard some of the comments that I heard. Succinctly stated, you were a hit!...The most beautiful centerpieces on the planet..."

- Marilyn Ratliff, Director of Development

"How can I begin to thank you? You were an absolute lifesaver. From helping us decide on the correct color scheme to going beyond the call of duty to send us extra material at the last minute, you accommodated all our needs. On behalf of the Office of Public Affairs, thank you again for everything."

- Krista Klaproth, Assist to the Special Events Coordinator, Northern Arizona University & Jamise Liddell,

Director of PublicAffairs/Special Events Coordinator, Northern Arizona State University"*I had seen your arrangements before I ordered them at a good friends wedding. I knew they would be great. But the big question was would the owners of our company think the same thing not only did the Owner of our company think they were great, but so did everyone else. It gave off the WOW effect."*

- Alexis Kitt, Communication Technology Services, Inc.

"Just wanted to thank you for a great job in putting together and shipping the centerpieces for our Orlando Convention Banquet. They looked great! Everyone commented how unique they were. It was a pleasure working with you."

- Darlene Summers, VP Meetings and Conventions, American Rental Association, Chicago, Illinois
